GRAND JURY

For the December Term of the Mason
Circuit Court Returns Several In-
dictments Yesterday, Makes
Its Report and Asks to be
Excused.

The Grand Jury for the December
term of the Mason Circuit Court re-
turned six indictments yesterday, made
its report for the term and asked to be
excused. The jury was in session a
total of four days during this term of
court.

The following indictments were re-
turned yesterday:
William Pierson, obtaining property
under false pretense, two counts, bail
of \$250 in each indictment.

Thomas Lucas, violating local op-
tion law, \$100.

W. H. Farwick, having liquor in
possession for purpose of sale in local
option territory, \$100.

Gill Edwards, Fern Edwards and
Orville Edwards, setting net in run-
ning water, \$50 apiece.

J. Quincy Ward, setting fish net in
running water, \$200.

The last indictment named is
against the State Game Warden. Mr.
Ward, it is claimed employed Mr.
Frank Bierley of this city to trap fish
in the Ohio River with a net. The
fish were then shipped to Lexington.
The offense occurred last summer.

The following was the report of the
Grand Jury: We, your Grand Jury, report that
we have examined witnesses in 23
cases, found 21 indictments and dis-

missed two cases for lack of testimony.
We have examined the various county
offices and county jail and find them
in good condition.

"Our attention has been called to
the reckless and careless driving of
motor machines on the public roads of
our county. We, the Grand Jury,
recommend that the law on this mat-
ter be enforced by the proper officials.

"We also recommend that the prop-
er officials take steps to make our
County Infirmary self sustaining.
"No further business we beg to be
excused."

H. R. CHILDS, Foreman.
In the Court William Hunter was
fined \$10 and given 40 days in jail
for selling liquor in local option terri-
tory. On another indictment he was
fined \$100 and given 20 days in jail.

EXCELLENT ENTERTAINMENT

The Savranoffs, a company of Rus-
sian musicians, appeared on the stage
at the High School auditorium last
evening and presented a very excel-
lent program. The instruments used
were the piano, violin and cello and at
the close, two of the national instruments
of Russia were used. The program
was well selected and executed with
an ease and grace that at once pro-
claimed the members of the company
as masters of their art.

The next number of the course will
be on Tuesday, January 3. Julius
Cassius, a Greek, will deliver a
lecture on his native country. This
number promises to be very interest-
ing.

Never has there been shown a line
of "French Ivory" to compare with
that shown by Murphy, the Jeweler.

A special service will be held to-
night at 7 o'clock at the Central Pres-
byterian Church preparatory to the
communion on next Sunday.

SMALL SALES

On the Local Tobacco Market Yester-
day and Offerings Still Remain
Medium — About 40,000
Pounds Sold.

A very small amount of tobacco was
sold on the local market yesterday,
the total sales of the day exceed-
ing 40,000 pounds. The offerings were
considered very medium by the ware-
housemen although the average for
the market will reach \$15 per hundred.
The prices paid for the weed ran
from \$8.50 to \$29 per hundred.

The recent cold spell is having its
effect on the amount of tobacco being
brought into the market. There has
not been enough damp weather to
bring the tobacco into case fully and
it will take several rainy days to bring
this about.

The following were the sales yester-
day:

CHRISTMAS BANQUET TO THE
YOUNGER MEMBERS OF CHRIS-
TIAN BIBLE SCHOOL

There will be something new in the
way of a treat to the children of the
Christian Bible School. It has been
the custom of this school for the past
three years to have a giving Christ-
mas and only treat the children from
the Junior department down. These
were usually given candy, something
that the children usually have a plen-
ty of from other sources. Therefore it
was decided that this year a Christ-
mas Banquet be given to the members of
these departments which includes the
Juniors, Primary, Beginners and the
Cradle Roll. The menu will be ap-
propriate for each department. A
most enjoyable time is being planned
for these young folks. The parents or
old members of the families may,
in fact are asked to come to look on
and see how the children enjoy them-
selves. The time for the banquet is
from four-thirty to five-thirty on
Thursday afternoon, December 21.
This time has been selected as the
most appropriate for these ages. This
will be the first treat of this kind
given to this age children in this city.

WILL PLAY LEXINGTON

The basketball team of the May-
sville High School will meet the team
from the Lexington High School on
the local floor. A game with Newport
had been scheduled for the evening
but arrangements could not be made
with that team satisfactorily. The
Lexington High School is the second
largest in the state and they have an
excellent team. The local boys have,
however, the hopes of beating them.
They have not lost a game this season
and they bid fair to continue their
winning streak. The probable line-up
for the opening of the game for May-
sville will be: Wood, center; Smoot
and Everett, forwards; and Downing
and Bowman, guards.

"THE 100 WORST WORDS"

In this issue of the paper, we are presenting the results of the test made in a previous issue. You will note that "all right" was missed 180 times out of the 198. You will no doubt say at first thought that you are surprised, but you must remember that the words were given with the list of others, and the pupils would naturally judge them to be written as a single word, in spite of the fact that the bottom of the page which says "all right" is never written as a single word. We give below the number of times each word was missed and the

grade made by the Massachusetts High School reporting the best average from that state. Pupils trained in our own city schools almost equal the average made by the Massachusetts students. Spelling has been emphasized here in the grades for the last eight years, and its result is seen in this examination. In justice to other schools from which our pupils have come, we will say that the lowest grade in this test was 49 per cent, which grade was made by one of our own city trained boys. We are preparing to have a standard test in Elementary Arithmetic later on in the year so that our pupils may be compared with those of other of the country.

Within the city limits of Los Angeles there are twenty-five parks, aggregating more than 4,000 acres in extent.

It is the consensus of opinion among quiet folk that entirely too much history is being made these days.

Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We give One Hundred Dollars for any case of Deafness (caused by Catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

45 MEN

Will canvass the members of the First Baptist Church of this city on next Sunday in regard to the Mission and Benevolence Budget of the Baptist Church.

Next Sunday is expected to be a great day in the history of the local First Baptist Church. At the last business meeting of the church a \$700 Mission and Benevolence budget was adopted for the year 1917 and next Sunday all the members are requested to remain at home from 2 o'clock to 6 o'clock at which time 34 men of the church, divided into pairs will visit the membership, give whatever information is necessary and receive the subscription for the coming year. A report will be made by the men at the 7 o'clock evening service, after which Mr. Hubbard Schwartz, a prominent attorney of Newport, Ky., will deliver an address from the subject, "The Man With a Message." Mr. Schwartz is an eloquent and pleasing speaker. A very attractive feature of the day's program is that the 34 men to make the visitation will go from the morning preaching service to the Barren room of the church where they will partake of a substantial luncheon, talk over the matter in hand and go from the church to the homes of the members. This budget embraces every interest fostered by the church such as church building, Sunday Schools, Colportage, Evangelism, Helping weak churches, paying salaries of missionaries, Woman's Missionary Union, B. Y. P. U., Young Woman's Auxiliary, aiding aged and needy ministers and the Kentucky Baptist Children's Home Society.

This budget of the local church helps to meet the budget of Bracken Association, which is \$4,125 and the budget of Bracken Association helps to meet the budget of the General Association of Baptists in Kentucky which is \$225,000 and the budget of the General Association of Baptists in Kentucky helps to meet the budget of the Southern Baptist Convention, which is \$1,055,500.

LAYING RAILS RAPIDLY

(Bracken Chronicle)
On Wednesday, December 6, James Broshears, Supervisor on this division of the C. & O., with a force of 31 men, broke the record for laying new steel. On this day 335 rails were laid and on Thursday 335. The average has been about 125 rails heretofore. The C. & O. is putting in new steel rails between Foster and Ivor, a distance of eight miles. Nineteen car-loads of steel is required between these points. Mr. Broshears formerly lived in Augusta, and his friends here will be pleased to know that he is more than making good in his new position.

Mr. Broshears makes his headquarters in this city and is very energetic in getting his division of the road in first class shape. He is one of the most popular men connected with the C. & O. system on the Cincinnati division.

SUCCESSOR ELECTED

(Bracken Chronicle)
At a meeting of the Augusta School Board Saturday night, James T. Norris was elected Superintendent in place of A. J. Jolly, resigned, while Rev. H. S. Calkins will act as principal of the high school, temporarily. Rev. Calkins has been teaching Mr. Norris' studies during the absence of Superintendent Jolly and has given satisfaction. The election of Mr. Norris as Superintendent insures that the school will be continued on the same high plane, and this action on the part of the School Board is sure to result to the best advantage to the school.

P. T. A. MEETING

The Parent-Teacher Association of the Centre District will hold its regular monthly session at the High School building this afternoon at 3 o'clock.

THIS IS CERTAIN

The Proof That Maysville Readers Cannot Deny.

What could furnish stronger evidence of the efficiency of any remedy than the test of time? Thousands of people testify that Doan's Kidney Pills have brought lasting results.

Home endorsement should prove undoubtedly the merit of this remedy. Years ago your friends and neighbors testified to the relief they had derived from the use of Doan's Kidney Pills. They now confirm their testimonials. They say time has completed the test.

Mrs. Della Luneford, 328 E. Front street, Maysville, says: "I think kidney trouble came from a strain in my case. I had sharp, shooting pains through my kidneys and a dragging down feeling through my hips. I had dull headaches and dizzy spells and often if I hadn't caught hold of something for support, I would have fallen. If finally began to notice symptoms of dropsy. My feet began to swell and at times my hands were the same way. Doan's Kidney Pills cured me."

A PERMANENT CURE
OVER THREE YEARS LATER.
Mrs. Luneford said: "Doan's Kidney Pills have completely and permanently cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Luneford has twice publicly recommended. Foster-Milburn, Props., Buffalo, N. Y.

MARRIAGES

Hall-Emmons

On Thursday morning at the Christian Church, parsonage, Willie Emmons and Miss Grace Hall of Fleming county were united in marriage by the pastor, Rev. A. F. Stahl. They were accompanied by Miss Minnie Emmons and Elroy Smith. Mr. and Mrs. Emmons will spend a few days in Cincinnati before returning to their home in Fleming county.

Hoffman-Warren

Mr. William R. Warren of Ewing and Miss Nora Lee Hoffman of Fleming county were united in marriage at the Christian Church parsonage by Rev. A. F. Stahl. Those witnessing the service were Mr. and Mrs. W. B. Lucas and J. F. Pepper. Following the ceremony, the bridal party motored back to Fleming county.

THOMAS P. BOONE

Resigns His Position as Secretary of the Chamber of Commerce Before the Board of Directors Yesterday.

Mr. Thomas P. Boone, secretary of the Chamber of Commerce, yesterday afternoon tendered his resignation from that position, to take effect as soon as possible. The resignation came as a great surprise to every member of the Board. The resignation was accepted by them, but no action was taken to elect a successor, the Board feeling that they should look around before choosing a man for such a responsible position.

Mr. Boone has accepted the secretaryship of the Henderson, Ky., Chamber of Commerce. This organization was very anxious to secure his services, and out of nine applicants for the position Mr. Boone was the only one that did not make a written application. He will go there at an increase in salary of \$600 per year. Henderson is the seventh largest city in the state and has a very flourishing organization of the business men.

Mr. Boone, during his thirteen months stay in this city has made a host of friends, all of whom will greatly regret to hear of his leaving. During his stay he has done a number of things to help the city and has made the Chamber of Commerce a working organization. He was instrumental in bringing the Gibson Garment Co. to this city, an establishment which gives employment to a large number of persons. Through his efforts the Tobacco Fair and Corn Show was made a success and certainly this was a great thing for the city.

We are certainly sorry to see Mr. Boone leave and hope that he may have the best of success in his new field.

STORY TELLING SERVICE

This evening from seven to eight, there will be a story-telling service for the members of the Christian Church Bible School. This is for both old and young, yes, and for young and old, for the stories will be interesting to both. The children can well afford to come from distant point in the city to this special meeting as it will be of such interest. Three or four older persons have been selected to tell stories, beside several of the younger children will have recitations, representing special characters. The public, too, may come to this meeting in the chapel of the church. Miss Jennie Dickson will have it in charge.

Prepare yourself for a healthy, happy Xmas; bathe and clean your stomach, liver and bowels; make them fresh and active; able to do their full duty—then you'll be well and happy. Hollister's Rocky Mountain Tea does the work Nature's way. Tea or Tablets, 35c. J. Jas. Wood & Son.

FLORIDA SCHOOL TEACHER

Anemic, Run-down, Nervous—How She Recovered.

There are so many cases like this right here in Maysville that we are publishing this interesting letter with the hope that some of our customers will try Vinol and get the same happy results that Miss Baez did.

Key West, Fla.—"I am a teacher and became anemic, nervous, run-down, no energy or desire to do anything. I could not sleep and had that languid, nervous feeling that made me a burden to myself. I had taken various tonics without benefit. I heard of Vinol and tried it. Soon I had a good appetite, could sleep all night and it built me up so I have the ambition to do any kind of work."

Mary L. Baez, Key West, Fla.
The reason Vinol was so successful in this case is because it is a constitutional remedy that goes to the seat of trouble. The cod liver and beef peptones contained in Vinol enrich and revitalize the blood, while the strengthening, tissue-building properties of the iron and manganese peptones and glycerophosphates aid in building up the tired, overworked, run-down system.
